RV Camping

RV Dry Camping will be available on Site at no cost. We also have a full service campground a mere 8 miles away with full hookups available. If you are planning on camping at the Fairgrounds, please email Bear with the size of your Motor Home or 5th Wheel or mark on bottom of this form, so we can plan on how much area we will need. Camping will be on a first come, first served basis, but there will be room for all who have pre-registered. Remember there will be no hookups or facilities available here.

If you prefer hookups for more comfort, we have made arrangements with the Castle Rock Campground. Campers can receive 10% discount if they mention, when making their reservations, that they are attending the square dance weekend in Castle Rock. Here are the details.
