Cancer Dance

The Cancer Dance was a great success. We had approximately 88 dancers and raised \$1100.00. We would like thank everyone who helped make our event so successful.

CANCER DANCE DONATIONS

The merchants on this list have donated about \$1900 worth of services and/or merchandise to be used as door prizes or Silent Auction items at the Cancer Dance. We encourage you to patronize their establishments. When you do so, let them know that, as members of the Flushing Roadrunners, you appreciate their efforts to help make the Cancer Dance a success.

We have found that merchants who have received our thank-you letters in the past have been more willing to donate again. They always mention the thank-yous and we know they would appreciate knowing that our members patronize their establishments, and would enjoy receiving a personal thank you from those members.
