Idaho Federation of Square
and Round Dance clubs.

January 11, 2008

The Federation is:

An organization formed by the square and round dance clubs of the State.

A combined effort by all the clubs to prepare for the future growth of square and round dancing.

The Purpose of the Federation is:

To expand communication among the clubs.

To help coordinate and further the development of all clubs, callers, cuers and area associations; provide continuity and balance to this activity, square and round dancing.

To improve the standard of calling, cueing, and dancing in Idaho.

To foster respect and trust among all areas of the State by providing a common meeting ground.

To find ways of improving relationships among dancers, callers, cuers and area associations.

The Federation Provides:

A share in the responsibility and expense of putting on the State Square Dance Festival each year.

An opportunity to bring recognized national callers and cuers into Idaho.

The Ida Fed Tattler, the State news now online for all dancers.

The Round of the Month, chosen by each area in turn, thereby giving round dancers an opportunity to dance comfortably in all areas of the State.

Leadership training in publicity, club operation, calling and cueing.

A directory of clubs, officers, locations and the night of each dance in the State.

An opportunity for all dancers to comment on our activity.

The Federation Needs:

Your views at any time, especially when the State Board meets in your area.

Your support of the State Festival and other programs by your attendance and comments

The Federation Does Not:

Tell clubs or area associations what they may or may not do or how to run their activities.

Tell callers or cuers what or how they should call or teach.
