

Hoodoo Valley Hoedowners

Our club graduated its first students in the spring of 1990 and held its first Jamboree in July of that year. A family-oriented club, we encourage all persons from age 8 and up to participate in square and round dancing. The dress code is generally less formal in this rural environment than in clubs in more heavily populated areas.

We square dance at the Mainstream and Plus levels. Round dances are Phase II and III. Our normal dance time is the third Saturday of each month from October through May, with special dances and festivals included in the annual schedule. We travel to clubs in the Idaho Panhandle, western Montana, and in the Spokane, Washington region.
