

We are planning to put information about learning to square dance on the Michigan Council WEB page. To have information about where people can learn to square dance in your area please complete this form. Fill in the club name, location and contact at the top of the form. This will be for administrative use only and not displayed on the web.

In the Class Information enter the city of the class, the day of the week of the class and information about the class. The city and day of the week will be used to categorize the information. All information about the class should be included in the information field.

When people are reading about this class the information in this area is all that will be displayed.

This information should be general information.

Dates and dated material should not be included.

You should say things like classes will start in September and not give a date in September. This way the information will not become out of date and have to be updated continually.

Mail the completed form to:

Wayne Pelmear
1234 Clubhouse Drive
Lake Isabella, MI 48893

If you have any questions you can email at Wayne@Pelmear.com or call me at (989) 644-3992.
