Maycroft Square Tappers **Muskegon, Michigan** **Gene and Alice Maycroft** **& Nan Maycroft Gonzales**

This group is the Youngest Exhibition Square Dance Group in the Nation. Ages range from 2 years to 18 years. No child has ever been turned away no matter their abilities. Their enthusiastic and energetic performance is contagious to all audiences, earning them many awards and standing ovations. Their Parent's Association deserves much of the credit for the success of the Square Tappers. The Square Tappers have been attending National Square Dance Conventions since 1966, but fundraising concerns have caused them to miss the last two. We've been fortunate to be able to showcase them at our State Convention for many years. Their international tours include Romania, Russia, France, German, Poland, England and Ireland.
