

The Southeast Area Colorado Square Dance Council, Clubs, Callers, and Cuers are looking forward to hosting the 56th Colorado State Festival, "Party Under the Peak" at the Doubletree Hotel on June 10 & 11, 2011 and sharing our beautiful city with you.

We encourage you to design your own festival outfits from any of the many "starry" prints that are available in local fabric stores. Make your festival outfits soon and wear them often to help promote the 2011 festival.

Scenic Colorado Springs is ready to welcome you with a wide variety of great restaurants and fun-filled attractions to fill all your leisure time.
