### Barnlofters To Have Anniversary Dance

The Barnlofters Square Dance Club, located in Hermitage, Tennessee, has announced that their newly-created "Anniversary Dance" will be held on March 7th. According to un-named sources, the club was started in 1965, making this year's dance a celebration of 47 years of dancing enjoyment.

"We're not quite sure who started the club, but all of us are glad they did", said club President Barbara Sawyer. "We have such a great time dancing to our caller. He's the best". Club Caller Gene Aldridge declined comment.

Charlene Henderson, Vice-president of the club said, "We will start the lessons at 6:00 pm like always. Then we'll start the dance at 7:30. Although we are usually through by 9:00, we do go past that time occasionally."

The dance program will feature squares and lines at Mainstream and Plus levels.

The admission fee is \$4 per person. There will be refreshments available at no additional charge.
